FADE IN:

EXT: ALLEY CORNER PLACE, BEHIND A BUILDING, DUSK

HEATHER is leaning against a wall, she is checking her watch quite frequently, as if she's waiting for someone. She sends a text message to a friend named Kate. The text message reads "WE ARE GOING TO HAVE SOME FUN TONIGHT ;)." The girl looks up from her phone, startled to see a young man, the same age as her suddenly appear right in front of her.

DEALER

Sup?

HEATHER

Do you have what I asked for?

DEALER

I couldn't get them but-

HEATHER (annoyed and a little angry)

You couldn't get them?! Why the hell did you want to meet me out here then?! This is such a waste of time, I'm leaving.

DEALER

No Wait, Listen, I've got something better.

The DEALER takes a small baggie out of his pocket, the baggie has three solid white pills in it. HEATHER looks at the pills curiously.

HEATHER

What are those?

DEALER

They're new. I got them from a guy in Russia. You take one of these, man, you're gonna go crazy

HEATHER

Have you ever tried it?

DEALER

Not Yet. I've been dying to though. They sell for about fifty dollars a pill, and I've been told they're definitely worth it. But hey, I'll cut you a deal, three for a hundred.

HEATHER (after contemplating)
Alright, I'll take them. All three of them.

HEATHER takes a crisp one hundred dollar bill out of her wallet and hands them to the DEALER. The DEALER hands Heather the pills and smiles.

DEALER (turns to leave)
Nice. You enjoy those now, Ya hear?

HEATHER (snidely)
Oh, I will

HEATHER puts her earphones on and turns away. And her and the dealer walk in opposite directions. They are a several yards apart when the dealer realizes her forgot something.

DEALER (turns back around and approached Heather)
Hey! Um, chick, Girl! Wait!

Heather turns around to see the dealer running towards her

DEALER (nearly out of breath)
I..almost forgot.. to tell you. Do not take more than one of those within the same day... Also.
Only drink water with the pill. NOTHING ELSE.

Heather (still listening to her music) raises her eyebrow and nods, pretending that she can hear him. She turns and walks away while dialing a number. The receiver picks up.

HEATHER (into the phone)
I'm coming over.

FADE OUT

FADE IN

INT: KATE'S HOUSE, KATE'S BEDROOM- Pillows and floral patterns on the bed.
Everything is clean and tidy. The two girls are sitting casually on the bed, discussing their plans for the night.

KATE
What exactly are we doing tonight? I have a paper do on Monday and I really need a decent GPA this semester

HEATHER
Chill. You work way too much anyway. Did you text Lily? Tell her to meet at us the parking lot of that empty where house on Second St.

KATE (confused)
Wait.. what? Why are we going all the way over there?

HEATHER
We are going to have *fun*

HEATHER takes the baggie of pills out of her wallet. She shakes them in front of Kate's face and winks.

KATE (cautiously)
Oh, (laughs nervously), What are those?

HEATHER does not reply to Kate, but instead smirks as if she has a secret. HEATHER takes her phone and dials Lily's number.

LILY (over the phone)
Hello?

HEATHER
Are you coming with us tonight?

LILY (over the phone, hesitantly)
Yeah. I guess.

HEATHER
Alright. Meet us at the empty warehouse parking lot at 11. Bring booze.

CUT TO: INT. LILY'S CAR

LILY arrives at the parking lot. HEATHER and KATE are leaning against Heather's cars having a conversation. The conversation stops when they see Lily's car approaching. LILY parks her car and gets out. She gets a brown purse from the passenger seat and slowly approaches the other two girls.

HEATHER (snidely)
What's in the purse?

LILY reaches into the purse and pulls out a nearly empty bottle of vodka. HEATHER sees the bottle and scoffs.

HEATHER (angry)
Wow, really, Lily? Jesus, I go out of my way to include you in something, finally. And you can't even do your part. Honestly, really why do I even bother?

LILY (timidly)
I'm sorry. This is all I could take without my parents noticing. I thought It'd be enough.
Here

LILY tries to give the almost empty bottle to heather. Heather glares, then smirks.

HEATHER (gloats)
I don't want it. I have something better.

Both KATE and LILY turn to Heather. Heather gets the baggie of pills out and opens it. She takes the three pills into her hands and holds them out in front of her.

HEATHER

Grab one.

KATE grabs a pill and inspects it. HEATHER gives KATE an approving look. LILY, however, stands completely still and looks at the pill from afar.

HEATHER (demanding)

Lily....take it.

HEATHER shoves the pill at Lily. LILY unwilling takes the pill within her hands and looks at Heather.

LILY

What is it?

HEATHER

It's fun. It'll make *you* fun.

KATE

How are we supposed to take this without anything to wash it down with?

HEATHER (looks wickedly at LILY)

Well since Lily has the vodka, Lily can go first. Unless, she's too inept to drink properly.

LILY looks scared at first, but then she meets HEATHER's sadistic glare. The two stare at each for a few seconds. HEATHER raises an eyebrow.

HEATHER

Well? Do you want to have fun with us or not? Go. First.

LILY (hesitant and stammering)

Um... Okay

Lily plops the pill in her mouth and takes a full swig of the vodka. HEATHER and KATE's eyes widen as LILY gulps the last of the vodka. LILY smiles proudly at the empty bottle.

LILY

See, I told you I could do it.

HEATHER (frustrated)

WOW! Way to go, Lily! Now, please tell me how Me or Kate will be able to take this pill, since these isn't anymore vodka to drink it with?

LILY

Oh.. I-

HEATHER

You what? You're sorry? Lily, you ruin everything. I swear, sometimes I think you're completely retarded. (To Kate) Let's go. Keep the pill. We've gotta find more booze, without her. (Turns back to Lily) Bye.

LILY

No. Wait! Heather, I-

LILY suddenly falls to the ground. Her body goes through some sort of epileptic type seizure. Her mouth starts foaming. Then she is completely still.

HEATHER and KATE are completely silently for a short while. Both in complete shock. HEATHER breaks the silence.

HEATHER (laughs nervously)

Ha. You're really funny. Now, stop it Lily. Get up.

KATE (freaking out)

Heather, this isn't a joke!

KATE goes over to Lily and shakes her. KATE attempts to feel for Lily's pulse. KATE's face pales

KATE (in tears)

Heather...

HEATHER (in shock)

No, KATE, Don't say it.

KATE (sobbing uncontrollably)

I can't feel her pulse

HEATHER (still in shock)

Get that Bag (points to Lily's purse) leave the vodka bottle here. We need to go.

KATE (incredulously)

Heather! We can't just-

HEATHER (yells at Kate)

WE NEED TO GO

KATE still sobbing, grabs everything except for the vodka bottle. She takes one last look at Lily's body lying on the ground.

ACT II

HEATHER (screaming)
GET IN THE CAR! NOW!

KATE runs to the car and throws herself inside. HEATHER puts the car in reverse and speeds away.

KATE (quietly)
We just killed her. We just killed Lily. She's dead.

HEATHER (calmly)
We didn't do anything. Kate, I need you to listen to me. We weren't here. You and I went to see a movie tonight. We haven't seen Lily since school this morning. We don't know anything.
KATE is whimpering and crying still. She looks at Heather still unsure of what happened.

HEATHER (turns up the radio)
Now stop crying, and change the station. Geez, I hate this song

RANDOM GIRL 2:

KATE is in the same room with the Two RANDOM GIRLS, she overhears them and turns around. Her eyes widen when she sees the headlines. KATE packs her things in a panic and runs into the hallway. She spots Heather and approaches her in a frenzy.

KATE (In a low voice, to Heather)
More people are finding out about Lily's disappearance. It's making headlines.

HEATHER

Hmm.. Lily was such a wallflower; I didn't think anybody would notice.

KATE stares at HEATHER, astonished.

HEATHER

Kidding! Jesus, Calm down. No one can prove we did anything.

KATE

But she could have told anybody that she was meeting us that night.

HEATHER

If she did, don't you think they would have questioned us or something?

KATE (quiet for a moment)

But... we killed someone.

HEATHER (looks around to make sure no one is in hear distance then speaks)
What's done is done Kate. You can't go back and fix it. So for both of our sakes, Shut Up.

EVERYONE except KATE laughs.

RANDOM GUY #1 (to Kate)

What's up with you, Kate? Why aren't you eating?

EVERYONE stares at Kate. KATE looks up at Heather. HEATHER raises an eyebrow.

KATE (quietly)

I guess I'm not hungry.

KATE gathers her lunch and walks away. HEATHER watches KATE as she walks away.

HEATHER (applying makeup to her eyes)
Tell me about it. I've got these bags under my eyes. I look totally gross.

KATE (a little angry)
Is that all you really care about?

HEATHER
Oh my God. You don't even-

HEATHER stops speaking abruptly. Her eyes widen as she is looking over Kate's shoulder. HEATHER gasps and drops her makeup compact.

KATE turns around and then gasps.

LILY is walking across the courtyard. She glances at Heather and Kate for a brief moment. LILY smirks and walks to school building.

HEATHER (panicking)
Did you freaking see her?! She was there, in the courtyard! Walking! I saw her!

KATE (still in shock)

I don't believe it.

HEATHER

It was her. I know it was her.

KATE (inquisitively to Heather)

You were calmer when you thought she was dead. Why are you only freaking out now that you know that she is actually alive?

HEATHER is quiet for a moment. She opens her mouth to speak, but then shuts it again.

HEATHER (quietly)

What if she wants revenge?

The bathroom door swings open. LILY and RANDOM GIRL # 3 walk in, laughing.

LILY (to RANDOM GIRL #3)

You wouldn't believe what he said to me. He goes-

LILY stops when she sees Heather and Kate. LILY smiles as she approaches them.

LILY (smiling)

Hey, guys. Have any of you seen my purse?

KATE and HEATHER are silent for a moment. They both exchange glances. KATE speaks up.

KATE

W-What do you mean?

LILY

My brown purse, I haven't seen it since last weekend. I was just wondering if either of you had seen it. But never mind, It doesn't matter. I have three more just like it.

LILY chuckles and KATE laughs nervously. HEATHER pipes up.

HEATHER

Um. I have to go.

HEATHER leaves the bathroom in a hurry.

LILY

What's with her?

KATE looks at LILY with a very confused look. LILY smiles weakly.

KATE (also staring at LILY)
And she's dressing differently.

HEATHER
She cut her hair.

KATE
And she doesn't study anymore

HEATHER (turns back to Kate)
It's like she's a completely different person.

KATE
Do you think we did that to her? The pill, did it change her?

HEATHER
I don't know. God, this cannot be happening. We didn't do anything!

KATE (turns to glance at Lily)
She isn't Lily anymore.

KATE looks LILY over, confused.

KATE
You're wearing makeup.

LILY (giggles)
So..?

KATE
It's just that.. you never used to.

LILY
Hmm, I guess not.

LILY and KATE sit awkwardly in silence for a moment. Then Kate speaks up.

KATE
So, I wanted to talk to you. (brief pause) about the other night.

LILY (confused)
What night?

KATE
That night... with me, you, and Heather. And that pill.

LILY (still baffled)
What?

KATE
You don't remember?

LILY
No.

LILY and KATE sit in silence for another moment. Then LILY stands up.

LILY
This was a really nice chat, Kate. But um.. I have to do other stuff now.

KATE
What kind of other stuff?

LILY (smiles and winks)
Oh you know, *fun* stuff. I'll catch you later! Bye

HEATHER (laughs at Lily's comment)

Ha. I know right. That is so funny.

LILY

And honestly, if I see that woman in a tracksuit one more time. I'm gonna barf. (smirks)
What a dyke.

HEATHER (exaggerated laughter)

Oh my god, you are so right.

KATE (to lily)

I thought Mrs. Johnson was your favorite teacher

LILY (raises eyebrow)

What?

KATE

Last month, when we were doing our Trig homework together. You told me that she was your favorite teacher.

LILY (chuckled)

Ha. You must be confused.

KATE

No, I'm not. You definitely said-

HEATHER (loudly, over Kate)
Anyway! Lily, we should totally hang out tommrow!

LILY
Can't. I'll be busy.

HEATHER
Heh, doing what?

LILY
I'm throwing a party. Its gonna be so rad.

HEATHER
Oh my god! A party?! I can't wait. I have this new dress I've been dying to wear and-

LILY
Um. Heather. I don't remember inviting you.

HEATHER, LILY and KATE stand in an awkward silence. HEATHER in complete shocked.
Until, Lily speaks up.

LILY (laughs sarcastically)
Kidding. I'll text you the address later. Ciao!

LILY walks smoothly away, leaving HEATHER and KATE looking at curiously.

KATE
I told you something was wrong with her.

HEATHER
Whatever, you're coming to the party with me right?

KATE
Heather-

HEATHER
Don't. (looks at Lily as she is walking away). We'll talk about it later.

HEATHER walks away and KATE is left alone in an empty hallway.

CUT TO: INT. HEATHER'S BEDROOM- more plush than Kate's bedroom. Pillows and stuff animals everywhere. Posters and pages of magazines on the wall. More cluttered than Kate's room.

KATE and HEATHER are sitting on Kate's bed. Kate looks nervous and is trying to explain her meeting with Lily to HEATHER. HEATHER looks indifferent and is checking messages on her cell phone.

KATE

There's no way she doesn't remember anything

HEATHER

Obviously she doesn't. So, there's nothing to worry about. Check out this new dress I bought!

HEATHER goes to her closet and pulls out a sparkly blue dress. She holds it up to her body and turns to show Kate.

HEATHER

Cute, right?

KATE

Heather, I am trying to talk to you about something. The least you could do is listen. We did something to Lily. She's an entirely different person now. Or do other people just not mean anything to you?

HEATHER

Seriously, Kate, you're killing my mood. Lily is absolutely fine. Otherwise, she wouldn't be throwing that party tonight.

KATE (incredulously)

You're not really gonna go are you?

HEATHER (winks sarcastically at Heather)

Do I ever turn down a good time?

HEATHER turns back around to look at herself in her mirror. Kate's worried face is visible in the reflection.

KATE (calls out into darkness)
Heather!

LILY stands in complete silence waiting for an answer.

KATE
Heather!

Voice
What are you doing here?

KATE whirls around to see LILY behind her. KATE and LILY stare at each other active tension.

KATE
Where's Heather?

LILY
How would I know?

KATE
She was supposed to be with you. *At your party.* Remember

LILY (hesitates)
This isn't a party. There's no one else here but you and me. And I'm leaving now.

LILY starts to leave and walks past Kate. As she walks by, their shoulders brush. KATE grabs LILY's arm to stop her from leaving. KATE looks down in surprise to see Heather's bracelet around LILY's wrist. Both are frozen with realization. KATE is the first to speak.

KATE
Where is she?

LILY (still hesitant)
I don't know

KATE (more aggressively)
We both know that is her bracelet. Where is she?

LILY (sarcastically)
I just told you that I don't know. But wherever she is, I'm sure she's having *fun*.

KATE
LILY-

LILY cuts KATE off and runs away in the opposite direction. KATE runs after her in the complete darkness. KATE loses her and stands in the darkness.

KATE
Lily! This isn't Heather's fault! What happened that night was an accident! LILY

KATE walks backwards and stumbles over something. She turns around gasps at what is in front of her.
HEATHER is lying on the ground, still. Foam is oozing from her mouth and her skin is pale.
Kate falls to the ground by Heather and shakes her.

KATE (slowly tearing up)
Heather...Oh God... Heather

KATE begins to cry hysterically while shaking Heather, attempting to wake her up. KATE looks up to see LILY staring down at both Kate and Heather.

LILY
Funny, how things turn out, huh?

KATE (crying)
What did you do to her?!

LILY doesn't answer but continues to stare. KATE stands up and comes face to face with Lily.

KATE (now angry)
You killed her

LILY (confused)
Wait.. No. I didn't I-

KATE
YOU KILLED HER

KATE pushes Lily to the ground and jumps on top of her. The two wrestle to gain control over the other. A small pouch falls out of Lily's pocket. KATE stops wrestling long enough to look at the pouch and notice that it has a white pill in it. She realizes that it is the same pill that Heather forced Lily to take.

KATE
Is that?

LILY pushes KATE off of her, while KATE Is distracted. LILY then grabs the pill and wrestles KATE down.

LILY
Fun? It is, isn't it?

KATE gasps momentarily. Within that moment, LILY grabs the pill and drops it into Kate's mouth. KATE closes her mouth and tries to spit it out. LILY grabs a bottle from her purse. KATE screams. WHILE KATE is screaming, LILY opens the bottle and pours the clear liquid down Kate's throat. KATE stops screaming and starts choking. KATE's mouth starts foaming. KATE's eyes flutter until she is completely still.

LILY (giggles)
.....
